P.S. From Rev. Cynthia

Dear Ones:

I love the time we share on Sundays - and always it seems that I leave saying, "Oh, I forgot this or that." Have I told you yet how much I care about each of you? It seems that some days we just are about the business of the day and forget to say that. When I was talking last Sunday about how the spiritual classes allowed me to really know myself and the power inside of me, I forgot to tell you all one thing. We have scholarships available for those who are in-between prosperity. The process is easy - you call the office 255.6412 and let us know of your needs. The team that grants those scholarships reviews our needs and grants you a scholarship. Then, bingo you are in for the ride of your life! Our spiritual classes are the best investment in time you could make because it gives you back the power you think that the economy, the bank, or your boss has over you. Are you tired of those wondering what to do and how to do it nights? Take the classes. My prayer is that you will reaaaaaaaaaly listen to me.

NOTE: We have postponed the Tuesday night SOM 101 class, and are just waiting for you to call. This class will be held from 6:30-9:00 p.m., beginning Tuesday, September 8th. If you would like to talk to me about the benefits of taking classes - please call me at home 255.6613. I care.

Love, Rev. Cynthia
